November 22, 2023

Project ID's: 9180-17-01(71/72)
Limits: County BE – Oconto County Line
Highway: WIS 22
County: Shawano

Please join us for a public involvement meeting to discuss WIS 22 between County BE and the Oconto County Line, located in Shawano County.

The meeting is scheduled for **Thursday, December 7, 2023**, from 4:30 pm to 6:30 pm at the Cecil-Washington Community Hall, located at 111 E. Hofman Street, Cecil, WI 54111. A brief presentation is scheduled to begin at 5:00 pm. The remainder of the meeting will follow an open house format.

We have identified several needs, including addressing:

- The deteriorated pavement
- The deteriorated structure over Pickerel Creek
- Multiple deteriorated culvert pipes
- Guardrail that does not meet current safety standards
- The operational issue caused by traffic turning left at County R
- The safety concern at the Resort Road intersection

Proposed improvements include:

- Resurfacing the existing asphalt pavement
- Performing deck repairs and an asphalt overlay on the structure over Pickerel Creek
- Replacing culvert pipes
- Replacing guardrail to current standards
- Converting the section of 4-lane undivided highway near County R to a 2-lane section with left turn lanes
- Adding a left turn lane for northbound traffic at Resort Road

The objective of the meeting is to provide an overview of the project and gather input about the proposed improvements.

This project will not include work on the structure over the Labutzke Channel. This work will be a part of a separate project. A separate public involvement meeting will be scheduled at a later date for this project.

We look forward to meeting with you. The meeting facility is wheelchair accessible. Deaf, hard-of-hearing, deaf-blind, and speech-disabled persons should contact the Wisconsin Relay Service by dialing 711. To allow time to arrange for accommodations needed to participate, please contact me no later than three working days prior to the meeting.
