PERMIT PROVISIONS AND CONDITIONS OF ISSUANCE

Pursuant to Wisconsin Statutes 86.07(2), this permit is granted to allow performance of the specific work described herein. Failure to obtain a permit will be considered unauthorized access to Town Road Right-of Way. Penalties will be determined by the Town of Green Valley Board not less than \$100.00 nor more than \$2,000.00. The following standard provisions and any included special provisions shall govern:

1. The Applicant agrees to indemnify and hold harmless the Permitting Authority, its employees and its agents, from any cost, claim, suit, liability and/or award which might come, be brought, or be assessed, because of the issuance or exercise of this permit, or because of any adverse effect upon any person or property which is attributed to the partially or entirely completed works of the Applicant. Accomplishment of the permitted work, or any part thereof by or on behalf of the applicant shall bind such Applicant to abide by this permit and all its conditions and provisions.
2. The permitted facilities shall, if necessary, be altered at the expense of the Applicant to permit alteration, improvement, or maintenance of the highway as may hereafter be ordered. The entire cost of construction and maintaining the permitted facilities shall be obligated on the Applicant unless a contract for such costs has been executed.
3. The Permitting Authority will allow no open cutting for utility crossings without specific authorization. At least one-way traffic must be maintained at all times throughout the utility installation, unless specific approval that states otherwise has been received from the Permitting Authority.
4. When one-way traffic or a detour is used, the Applicant shall provide ALL NECESSARY SIGNS, FLAGMEN AND LIGHTS required according to the "Manual on Uniform Traffic Control Devices."
5. All disturbed areas shall be returned to their present condition or better, subject to the satisfaction of the Permitting Authority. Access to all private drives and public street intersections shall be maintained and all disturbed areas completely restored.

**** Conditions for notifications for repairs could include, but not limited to, signage, settlement, asphaltic surface & restoration.**

6. Any trenching, tunneling, or excavating shall be performed in accordance with the requirements of OSHA and the Wisconsin Department of Industry, Labor and Human Relations, and the Wisconsin DOT Policy for the accommodation of Utilities within Highway right of way.
7. Upon the completion of the permitted work, the Applicant will return to the Permitting Authority the work-completed notice provided to him at the time of permit approval. In cases of emergency or short time constraints, the Applicant shall notify the Town Chairman by telephone (715) 853-1555.
8. A copy of this approval, along with any plans and special provisions, shall be available on the job site.
9. 2 hours after notification to the Permittee of needed **repairs declared an emergency** during the project, not repaired or acknowledged to make arrangements for extended time for repairs to be completed, will be repaired by the Town of Green Valley Highway Department or an outside contractor they may hire, on a time and material basis and invoiced to the Permittee for payment. Failure to comply may jeopardize future issuance of permits. If payment isn't received, legal action will be pursued to collect this debt as per ordinance 2007-01. Failure to comply may jeopardize future issuance of permits.

72 hours after notification to the Permittee of needed repairs declared non emergency, during or after completion of a project, not repaired or acknowledged to make arrangements for extended time for repairs to be completed, will be repaired by the Town of Green Valley Highway Department or an outside contractor they may hire, on a time and material basis and invoiced to the Permittee for payment. If payment isn't received legal action will be pursued to collect this debt as per ordinance 2007-01. In addition you may be subjected to an additional fine. Failure to comply may jeopardize future issuance of permits.

10. Any altering of existing Town road ditches in road right-of-way must be approved by Town Board and permit application may need an engineering plan from a Town approved engineer.
11. **Anything buried** in Town road right-of-way must be registered with Diggers Hotline. Hotline.
12. Special Provisions:
